We have, in the meantime, received the report submitted by AIGP (Crime) from the O/o DGP, Tripura, wherein it is stated that S.P, Dhalai has inquired into the matter and found that PR under section 107 Cr. P.C was submitted before the Executive Magistrate apprehending breach of peace or untoward incident and, thereafter, on the basis of an FIR lodged by Anadi Adhikari on 15/3/2020, a specific police case has been registered against Raju Rupini driver of Manu GRP P.S and the case is under investigation.

We have taken note of a newspaper and asked to O/c Manu P.S as well as SP, Dhalai District to submit a report and accordingly, the report is sent by AIGP (Crime) based on the communication received from S.P, Dhalai.

Neither Anadi Adhikari nor anybody else made any complaint before us in respect of any misconduct on the part of any police officer.

However, the commission had taken note of the newspaper report since certain allegations were made against a police personnel and now we are satisfied that appropriate criminal proceeding has been initiated. We find no justification at all for proceeding further over the matter and accordingly, it stands closed.
